'THE SHOW WILL GO ON' - ALL-AMERICAN DAIRY SHOW SET FOR SEPTEMBER 18-22
Show Organizers Moving Forward with Event Planning for Youth and Open Exhibitors

Harrisburg, Pa. (May 11, 2021) – The Pennsylvania Dairy and Allied Industries Association board of directors is pleased to announce that plans are moving forward to host the 2021 All-American Dairy Show at the Pennsylvania Farm Show Complex and Expo Center in Harrisburg, Pa. This year's show is scheduled to run from September 18-22, with the Premier National Junior Show set for September 18-20.

"We are excited to be able to host the 2021 All-American Dairy Show at our home facility, the Pennsylvania Farm Show Complex and Expo Center," said Board President Michelle Cornman. "After a productive meeting with the Pennsylvania Department of Agriculture and the staff at the complex, we are confidently moving ahead with planning our show."

To accommodate all state and federal guidelines related to COVID-19, the show and youth contests will operate under a modified schedule. Additionally, because of necessary space requirements, the All-American Dairy Show will not be able to host the Pennsylvania Junior Dairy Show during show week.

Cornman added, "We are prepared to meet required guidelines and, most importantly, are looking forward to getting back to the business of promoting agriculture, exhibiting top-quality cattle, and providing the best possible learning experiences for our youth exhibitors."
