

## 2025 IYDCJC Registration Instructions

- To enter the IYDCJC contest, you must register as an exhibitor for the All-American Dairy Show.
- During the exhibitor sign-up, you will be asked questions about the All-American Show. Please answer "N/A" for most of these questions, as they will not apply to your entry.
- The individual submitting the team entry should be listed as the exhibitor (e.g., Coach, Instructor, or Extension Educator). An instructor can register multiple teams under their individual exhibitor profile. You will be prompted to provide team member names at the end of the registration process, so please do not list them as the exhibitor.
- To get started, Sign into an existing FairEntry account or create a new account.
- Click on Begin Registration and Register as Individual Exhibitor of the All-American Dairy Show. Again, this is the person submitting the entries. Once you have completed these steps, you will be able to enter multiple teams for the contest under this one exhibitor.
