## THE ALL-AMERICAN DAIRY SHOW WELCOMES NEW CATTLE COMMITTEE MEMBERS

*Meet Kristy York-Morse and Taylor Eberly, the New Cattle Committee Members*

**Harrisburg, Pa.** (August 15, 2025) – The All-American Dairy Show extends a warm welcome to its new cattle committee members: Kristy York-Morse, Superintendent, and Taylor Eberly, Assistant Superintendent.

Kristy York-Morse has been named the 2025 Cattle Committee Superintendent for the All-American Dairy Show. She previously served as Cattle Committee Co-Chair for two years. Before that role, she was active on the Red & White Dairy Cattle Show Committee for both youth and open shows and has been involved with the All-American Dairy Show for over 16 years. Kristy first began attending the All-American as a 4-H member, participating in the Pennsylvania State Youth Show. One of her fondest memories from those early years was seeing Northcroft Ella Elevation.

Kristy works for Dairy Farmers of America as a field representative and is in her 29th year as a 4-H leader. She also serves as the State Director for the Bradford County Holstein Association and is active with the Troy FFA Alumni Association. Additionally, Kristy is the cattle superintendent for the Bradford County Youth Dairy Show. She and her husband, Jeff, reside in Canton, Pa., and enjoy supporting their grandchildren—Sawyer, Olivia, and Carter—as they begin their 4-H careers showing dairy cattle and market lambs.

Joining as Assistant Superintendent is Taylor Eberly of Greencastle, Pa. Originally from Missouri, Taylor had a successful Junior Holstein career. Since relocating to Maryland in 2022, she has worked for respected breeders and exhibitors along the East Coast and Midwest. Taylor and her husband, Denver, are now part of the team at Cedar Haven Farms. They welcomed their son, Tatum, this June. Taylor looks forward to meeting and working with exhibitors at the 2025 All-American Dairy Show.
