In Memory of Patti Hushon

Patti Hushon, Founder of the Premier National Junior Show

From 2004 through 2013, Patti Hushon was on a mission to make Harrisburg the place to be for dairy youth across the country, and with that, the Premier National Junior events were born. A visionary leader with a huge passion for developing opportunities for youth, Hushon and her “Team Patti” created and enhanced events at the show which allowed more than 20,000 youth to grow their skills for a future in agriculture. She received the All-American Dairy Show Pioneer Award for the vision and tenacity she needed to make the PNJS a national hub for dairy youth in 2013. Unfortunately, we lost Patti earlier this year after a short battle with cancer. Please join us in remembering her passion for the youth and the PNJS as we celebrate her memory this week.
